

## SUPPLY CHAIN MANAGER

Become responsible for the supply of Y-mAbs' first products on the market

**Y-mAbs** is a rapidly growing late-stage clinical biopharmaceutical company focused on the development and commercialization of novel, antibody-based therapeutic products for the treatment of cancer. The company has a broad and advanced product pipeline, including two pivotal-stage product candidates, which targets tumors, that will be launched this year.

**As Supply Chain Manager** at Y-mAbs you will be responsible for planning and executing the supply of the company's products for commercial launch, forecasting, ordering, and delivery. You will report to SVP, Chief Technical Officer.

### Your main tasks among others are:

- Describe and implement necessary supply chain procedures in cooperation with relevant stakeholders
- Participate in implementation and maintenance of serialization, and track-and-trace set-up with CMOs and distributors
- Contribute to establishing the distribution network
- Handling regulatory requirements for distribution of radiopharmaceutical products
- Prepare relevant documents/SOPs
- Set-up of change management system and handling of supply related issues

**You must have experience with** launching new products from a supply chain management perspective and your experience comes from a biotechnology or pharmaceutical company. Furthermore, you have experience with regulatory aspects of pharma distribution (GDP) in both the US and Europe, and preferably, you also have knowledge in GMP.

**You have** a Master's or Bachelor's Degree within a relevant area and min. 3-4 years of relevant work experience in the above mentioned field. You speak and write English on a professional level.

**You are a person with** strong project management skills and an entrepreneurial mindset. In addition, you are structured and well organized with attention to details and the right candidate appreciates the challenges and opportunities in working in a small company.

**Y-mAbs offers** unique and exciting career opportunities in a young and growing international company with an open and trustful working atmosphere.

**Travelling:** Approximately 20 days/year

**Domicile:** Hørsholm

**For more details** about the job or the company, please contact Senior Consultant Belinda Bramsnæs, Unique Human Capital on M: +45 28 44 28 44. All applications must be in English and are treated confidentially.
